

Washington Motorcycle Road Racing Association

2026 Sponsorship Prospectus

Thank you for considering supporting the Pacific Northwest's Motorcycle Road Racing Community. Washington Motorcycle Road Racing Association has a long history of providing excellent motorcycle road racing, operating since 1974 and is a registered 501(c)4 nonprofit organization.

Thanks to the generous support of our sponsors, we have been able to continue our mission for over 50 years!. Sponsorship allows our organization to promote motorcycles, race craft, and positive competition through motorcycle racing in the Pacific Northwest; both providing a community and creating opportunities for riders to demonstrate abilities and advance to other levels of competition. Several active racers also participate in MotoAmerica National Racing Series and we even have a member that races in the World Superbike WCR Series in Europe. All of which are televised and continue to inspire local PNW racers.

For 2026, WMRRA has scheduled 8 racing weekends at three racing venues in Oregon and Washington, providing 24 days of practice and racing. Our race classes range from unrestricted motorcycles (Formula Ultra) to traditional Superbike, SuperSport and even Vintage motorcycles, with varying degrees of displacements. Our race weekends are spectacular, and the energy and excitement is unparalleled.

Thus, race weekends can see a range 195-350 in attendance. Additionally, spectators are always welcome and can vary, but typically for a race weekend we can expect 100-200 additional spectators in attendance.

WMRRA provides social media posts, blogs and forums for riders and enthusiasts. Our Facebook page is followed by more than 3500 Facebook users; our mailing list reaches approximately 1300 individuals dedicated to motorcycles racing and community in the Pacific Northwest.
